About Us

Sparkling Direct are the experts in arranging the delivery of all types of gifts on your behalf. We currently have over 650 gift options available covering the worlds most prestigious Champagne brands. We also have a unique wine range, luxurious food hampers and a stunning range of baby gifts.

Whether you are sending a gift to a friend, a corporate client, a loved one or simply buying for yourself, we can cater for your needs.

Multiple orders are a specialty, so if you need to send a gift to 1 or 1000 clients, let us take the pressure away from you. To make life even easier, you may wish to open a corporate account with us. To do this, just ring and speak to one of our friendly sales representatives.

We are able to brand our gift boxes with your company's logo or send them out with your own company literature in them if you so wish. If you require something that is not shown, then please feel free to contact us to discuss.

We have arranged many 'unique' gifts for a number of the UK's leading companies and celebrities.
